BUSINESS MANAGEMENT

Associate in Applied Science

The Associate in Applied Science in Business Management - Business Management Program is a two-year program designed to prepare students for management jobs. The program is composed of general education courses and a strong core of business courses that will assist the student in developing general management skills for employment in nearly any sector. The program has been designed for skill development and therefore does not transfer easily into a baccalaureate business program. Students planning to pursue a bachelor's degree in business management should enroll in the A.A. Liberal Arts, Business Administration option.
