

Do you have a Cengage account from a previous semester? Login with your existing Cengage Unlimited account information. **Do NOT create multiple Cengage accounts.** Simply click on **“Register another product”** and enter the **Course Keys** provided by your instructors in the course Syllabus.

New Students ONLY:

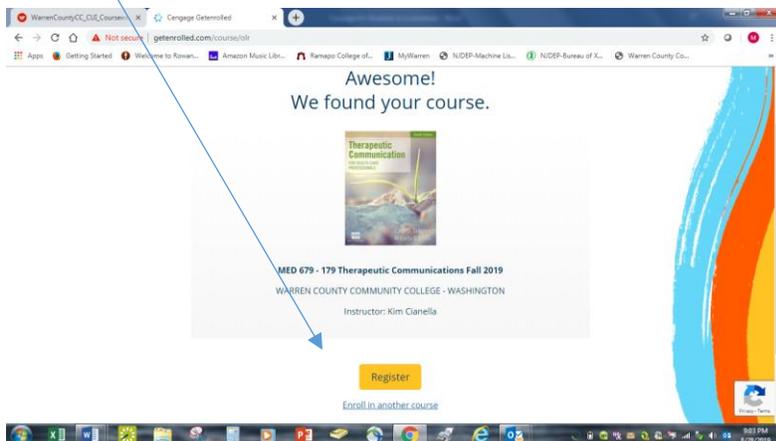

STEP 1: Get Enrolled With Your Digital Course Textbook

Go to **GetEnrolled.com** on your mobile device or computer and enter the course key found in your Syllabus to activate your digital subscription. Once you find the Course Key, copy and paste it into the box indicated and click **“Enroll”**.

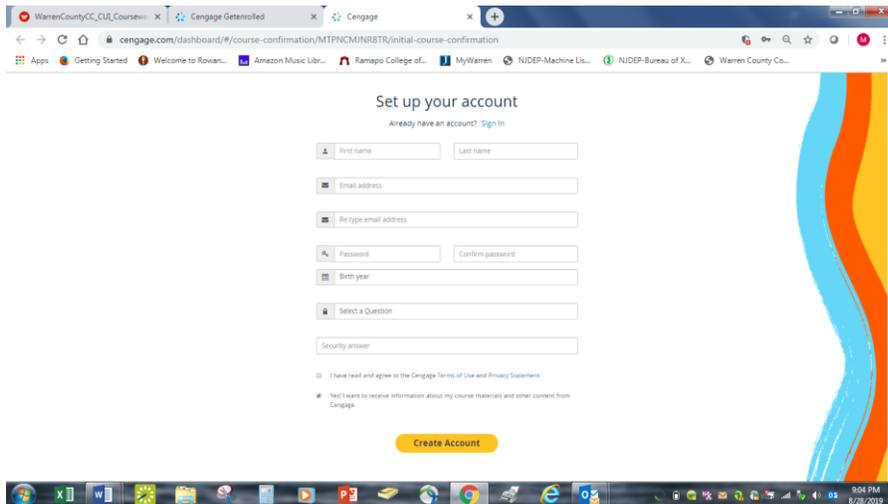

Note: You must have a Course Key in order to proceed. If you do not yet have access to the Course Code, do not attempt this step yet. Course Syllabi will be posted to the eLearning classrooms in MyWarren between January 29th and the first day of class.

After you've entered your Course Key, review the information on the screen to verify that you're registering for the correct course. **Click “Register.”** **On the next page, choose “Create an Account”**

Step 2: Create an Account

Enter the information requested to complete your account. Once finished, the program will take you to Your Dashboard.

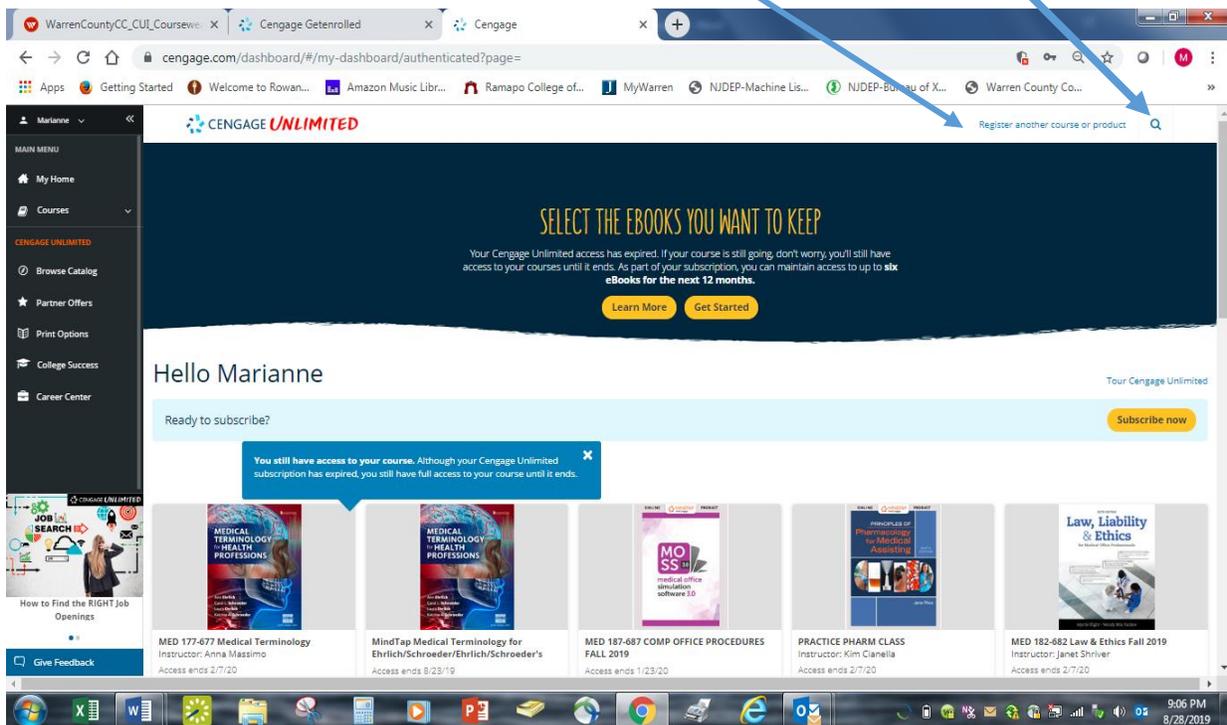

The screenshot shows the 'Set up your account' page on Cengage.com. The page includes a 'Sign in' link for existing users and a registration form with the following fields: First name, Last name, Email address, Re-type email address, Password, Confirm password, Birth year, Select a Question, and Security answer. There are two checkboxes at the bottom: 'I have read and agree to the Cengage Terms of Use and Privacy Statement' and 'Yes! I want to receive information about my course materials and other content from Cengage.' A yellow 'Create Account' button is located at the bottom center of the form.

Step 3: Your Dashboard

You will be taken to your Cengage Unlimited dashboard where you can access the course textbook you just uploaded and explore Cengage Unlimited.

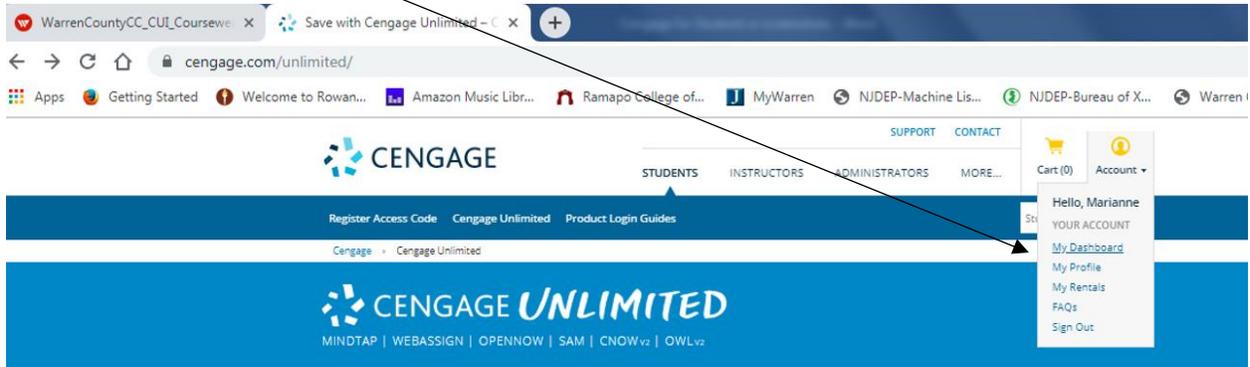

Step 4: To upload the rest of your textbooks

Simply click on the **“Register another product”** and enter the Course Key in the box. ***If your instructor has given you an ISBN number instead of a Course Key, click on the magnifying glass and enter the ISBN number there.***

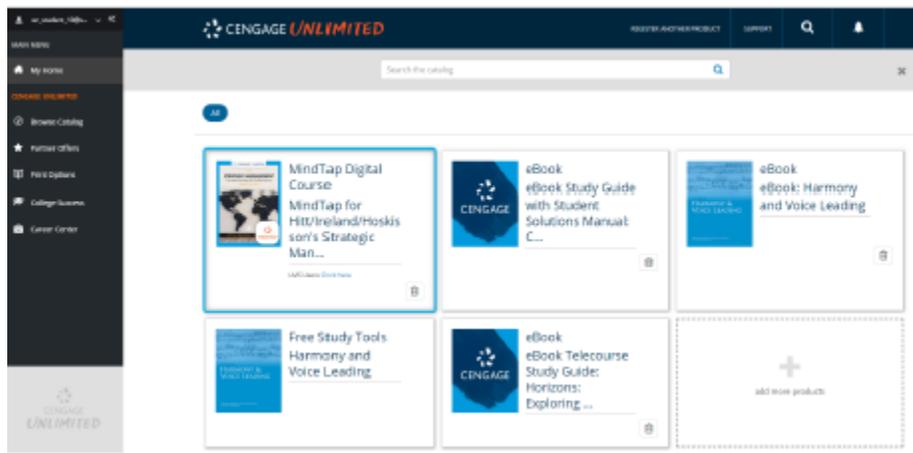

The screenshot shows the Cengage Unlimited dashboard for user Marianne. The main header says 'SELECT THE EBOOKS YOU WANT TO KEEP' and includes a message: 'Your Cengage Unlimited access has expired. If your course is still going, don't worry, you'll still have access to your courses until it ends. As part of your subscription, you can maintain access to up to six eBooks for the next 12 months.' There are 'Learn More' and 'Get Started' buttons. Below this, a 'Hello Marianne' greeting is followed by a 'Ready to subscribe?' section with a 'Subscribe now' button. A notification box states: 'You still have access to your course. Although your Cengage Unlimited subscription has expired, you still have full access to your course until it ends.' The main content area displays a grid of course cards, including 'MED 177-477 Medical Terminology', 'MindTap Medical Terminology for Ehrlich/Schroeder/Ehrlich/Schroeder's', 'MED 187-687 COMP OFFICE PROCEDURES FALL 2019', 'PRACTICE PHARM CLASS', and 'MED 182-682 Law & Ethics Fall 2019'. A search bar in the top right corner contains the text 'Register another course or product' and a magnifying glass icon, with blue arrows pointing to it from the text in Step 4.

IMPORTANT: Moving forward, after you log in to the Cengage platform, click on “My Account” and choose “My Dashboard”

This is where you will access all of your course textbooks and resources from the dashboard moving forward.
