Medical Assistants are in High Demand! Now accepting new students. See page 9 for details.

COVID-19 Precautions

Warren Community College is committed to providing an environment where students can continue to thrive. WARREN wants to assure our college community that safety is at the center of every decision we make during the creation of policies and protocols for operating during the COVID-19 pandemic. We will continue to follow local and state guidelines, including the Governor's Executive Orders and the recommendations from the federal government, the Centers for Disease Control and Prevention (CDC), our local Board of Health, and other agencies, where applicable. Please visit our website at www.warren.edu for more information and current guidelines.
Invest in Yourself

### CAREER TRAINING PROGRAM

#### COMPUTERIZED ACCOUNTING WITH MOS CERTIFICATION PREP*

This 300-hour information packed program focuses primarily on accounting procedures and accounting software programs. The class is introduced to basic accounting principles and then advances to QuickBooks Pro 2021 and MS Windows, Word, Excel and Outlook 2019. To enhance the student’s marketability for employment, the student will be prepared for Microsoft Word and Excel MOS (Microsoft Office Specialist) Certification. Class assignments are based on actual workplace projects to prepare the student for employment in the accounting and business fields. Business writing, keyboarding, accounts payable, accounts receivable, general ledger, payroll, financial statements, as well as other accounting policies and procedures are covered. Writing a resume and job search training is included. Prerequisites: High school graduate or GED, basic computer skills and an interest and aptitude in working with numbers.

### CAREER TRAINING PROGRAM

#### COMPUTER SKILLS FOR BUSINESS PLUS MOS CERTIFICATION PREP*

This intensive 220-hour program prepares the student for a career in today’s ever-changing business environment. The majority of occupations today require computer proficiency as well as other professional skills. The goal of this course is to graduate each student with skills that are sought after in any industry. MS Windows, Word, Excel, PowerPoint and Outlook 2019 are covered with emphasis on preparing the student for Microsoft’s Word and Excel MOS (Microsoft Office Specialist) Certification. Other professional skills such as Business Writing, Customer Service and Soft skills are covered to present a marketable set of skills to employers. Writing a resume and job search training is included. Prerequisites: High school graduate or GED and basic computer skills.

UPSKILL YOUR CAREER OR TEAM

CUSTOMIZED TRAINING

The Phillipsburg Education Center of Warren Community College provides workforce development training. We provide high-quality training to enhance the knowledge and skills of the workforce while boosting job productivity and career potential.

Our programs and services support the Greater Lehigh Valley business community and the region’s local workforce development board to respond to changing economic and industry needs.

WARREN works closely with businesses and the Workforce Development Board to develop customized training funded through grants from the NJ Department of Labor that can cover the cost of training provided to employees. Contact Dawn Smith at (908) 835-4029 or dsmith3@warren.edu.

WHERE CAN I FIND EMPLOYEES WITH SPECIAL SKILLS?

- Assistance with job posting and talent search- local, state and national labor market exchange: https://newjersey.usnlx.com/
- Recruitment & marketing events to jobseekers
- Virtual Job Fairs – Promotion to jobseekers

CAN YOU HELP ME WITH THE COSTS OF HIRING?

Funding is available to help cover the costs of training full-time new hires. We’ll reimburse up to 50% of each employee’s salary (for up to 6 months) while individuals are being trained in their new positions. There are no penalties should an employee not meet business requirements. Simple process, minimal paperwork.

CAN YOU HELP ME WITH COSTS FOR TRAINING MY EMPLOYEES?

Funding is available to support training initiatives for upskilling/cross training and/or to help the business remain competitive. Employers receive up to $5,000 per employee.

- You select the desired provider of training, skills or industry-recognized credential
- It’s a simple process with minimal paperwork
- Advance competitiveness with credentials for job specific skills
Medical Assisting Day Program
Highly Recognized, Nationally Accredited

This seven (7) month, 760-hour full-time, grant-eligible program is nationally accredited and includes: Anatomy/Physiology/Pathology, Medical Terminology, Pharmacology, Medical Laboratory, Clinical Assisting, Insurance/Coding/Managed Care, Computerized Office Procedures, Healthcare Law & Ethics, Psychology/Therapeutic Communications, Medical Office Procedures, 160-hour Externship (without remuneration), CPR/First Aid, and job search preparation. After successful completion of the program, students sit for the AAMA’s national certification examination and are eligible to become Certified Medical Assistants – CMA (AAMA). Graduates also have the option to matriculate into the AAS degree program.

Prerequisites: 18 years of age, clear criminal history, HS diploma or equivalent, or current graduating H.S. senior, with knowledge of Windows and Microsoft Word. All applicants must be interviewed.

Mandatory Orientation: 9 am to 11 am, Friday, January 14th

Schedule: Monday-Friday, 8:30 am - 4:30 pm, January 19 – July 8, 2022
Course instruction and campus activities, including open labs, will take place through June 3rd. The externship rotation will begin June 6th.

Location: Phillipsburg Education Center and Main Campus

Cost: $5,949 + $140 annual digital textbook subscription with Cengage*

*Training Grants may be available to those who qualify. Call 908-835-2432 for information.

Registration begins with scheduling an interview; email Dr. Marianne Van Deursen at vandeursen@warren.edu.

The A.A.S. Degree Option is available to students who complete the entire Medical Assisting program and wish to matriculate into the degree major. Please see the program director for more information. Our program is fully approved by the American Association of Medical Assistants (AAMA) and is prepared to meet the demands of the healthcare system. The Medical Assisting career-track certificate program at Warren Community College is accredited by the Commission on Accreditation of Allied Health Education Programs (www.caahep.org) upon the recommendation of the Medical Assisting Education Review Board (MAERB). Commission on Accreditation of Allied Health Education Programs.
CAREER TRAINING PROGRAMS

COMPUTERIZED OFFICE PROCEDURES
This course introduces students to the use of electronic medical records (EMR) and billing software. Students practice using software with a full range of functionalities that allow members of the health care delivery team to store, access, and use patient medical information for patient records management and claims processing.

MED687A2
January 20-May 19, 2022
Thursdays 1-4:30pm
$495 + $140 annual digital textbook subscription with Cengage

MEDICAL BILLER / CODER
This combination of five (5) courses from within the Medical Assisting Program prepares the graduate for an entry level position as a biller/coder in the outpatient-ambulatory care environment. A tuition payment plan is available. Take all five courses together or spread them out over two semesters.

• MED676C2 – Anatomy/Physiology/Pathology
• MED685C2 – Insurance/Coding/Managed Care
• MED677C2 – Medical Terminology
• MED687C2 – Computerized Office Management
• MED682C2 – Medical Law & Ethics

January 20-May 20, 2021
• Mondays from 8:30 am to 12 pm (noon)
• Thursdays from 8:30 am to 4:30pm

ADDITION COUNSELING

This Non-Credit Certificate in Addiction Counseling is primarily designed to prepare students who currently possess a college degree with the practical beginning skills needed to support the recovery of persons with addictive disorders; however, a college degree is not required for admission. Completion of program courses will satisfy the New Jersey Certification Board’s 270-hour requirements to be credited towards the CADC credentialing. Students must complete all of the career courses and the externship in order to be eligible for future certification.

Cost for each course: $519 + $140 annual textbook subscription. Courses held at the Warren Community College Main Campus in Washington, NJ. Courses follow the Academic Calendar.

- PSY 680 - Abnormal Psychology*
- PSY 652 - Assessment and Treatment
- PSY 654 - Advanced Counseling Skills
- PSY 655 - Addictions Counseling Externship**
- PSY 650 - Introduction to Addictions*
- PSY 653 - Interviewing and Counseling Skills
- SOC 691 - Introduction to Social Work

* Students must take PSY 650 and PSY 680 prior to, or at the same time as PSY 652 and PSY 653.
** Students need 3,000 hours of clinical time for certification. 300 hours of the externship is already approved through the NJ Certification board to be credited towards the 3,000 required hours for certification. Placement in an outpatient setting is arranged through the College.

For additional information, please contact Marianne Van Deursen, VP Academic Affairs, by phone 908-835-2430 or email vandeursen@warren.edu.
AHA BLS CPR/AED

CAREER TRAINING PROGRAMS

UNIFORM CONSTRUCTION CODE
LIVE, ONLINE TRAINING

The following Uniform Construction Code courses are for general contractors who are seeking to advance their careers and become New Jersey State Inspectors for local municipalities.

Licensing questions should be directed to the Licensing Unit at (609) 984-7834, where you can obtain a licensing application packet. It is suggested that you review this packet before you take the course. Tuition reimbursement may be available. Classes must follow RCS, ICS, HHS sequence. The Uniform Construction Code Act and Regulations or “Blue Book” is a required text for any and all Uniform Construction Code Courses. Please contact the DCA’s Publications Unit at (609) 984-0040 to order books. Courses are offered in live remote format and students must have a computer with speaker and microphone, and a valid email address. Please note: After successfully completing the required courses, contractors also need to pass National Exams.

FIRE PROTECTION ICS PART II

This course covers techniques for plan review and field inspection of fire protection systems and electrical system. It is a detailed study of the NJ UCC and International Building Code, focusing on its relation to fire prevention. It is Part II of the 120-hour course required for licensure as Fire Protection Inspector.

Prerequisite: Grade of “C” or better in Part I.

CTC603A2

Continuing Education of Warren Community College is proud to partner with ProTrainTM, a leader in continuing education programming. This partnership brings quality training to our students that meets national, regional, and local requirements leading to careers in high demand fields. Industries served include healthcare, information technology, business and leadership, and industrial and skilled trades. Warren Community College and ProTrain are accredited through the Middle States Commission on Higher Education (MSCHE).

Course offerings are ideal for both career entry and advancement opportunities. ProTrain courses meet the needs of learners through professional development, certificates, and online training with mentors available to guide students.

Online, Self-Paced Courses are available online anytime, anywhere.

Live Online, Instructor Led Courses are taught online by a live instructor.

https://warren.theknowledgebase.org
This CFOT 3-day introductory course explores the theory and history of fiber optics data transmission and is designed for anyone wanting to become certified in the basic installation, troubleshooting and testing techniques of installed fiber optics networks as required per industry standards. This program includes 85% hands-on activities by allowing you to build and test your own fiber optics network.

**Prerequisites:** Basic knowledge of computers, ability to speak and understand the English language.

**CFOS/T – CERTIFIED FIBER OPTICS SPECIALIST IN TESTING & MAINTENANCE**

This 2-day, 16-hour program is designed to offer advanced training to anyone involved with the testing and maintenance of fiber optics networks. A focal point in the program is to offer a general, easy to understand, approach to fiber optics testing standards. This 85% hands on course explores the overall spectrum of testing and maintenance of single-mode fiber optics networks and provides a detailed overview and demonstration of various pieces of equipment used in testing and maintenance. Subject matter includes a detailed study of ANSI/TIA/EIA-526-(7)A, OTDR fundamentals and uses, OTDR vs. Insertion Loss Testing, Return Loss Testing, and Attenuation testing using the Power Source and Light Meter standards.

**Prerequisites:** CFOT courses.

**CFOS/S – FIBER OPTICS SPLICING SPECIALIST CERTIFICATION**

This 2-day Splicing Specialist Training includes a complete PowerPoint presentation explaining the importance of high-performance splicing and further details the points necessary to achieve these splices. The depth of this presentation is much greater than most textbooks and provides background information about splicing that is very important to the student. 85% hands-on classroom activities will provide training in both fusion and mechanical splicing of either single or multimode fiber optic cables. The student will be responsible for successfully making and testing both mechanical and fusion splices, efficiently installing spliced fibers into splice trays and enclosures, and achieving a splice loss of less than 0.15 dB to demonstrate proficiency.

**Prerequisites:** CFOT courses.

CAREER TRAINING PROGRAM

MSSC CERTIFIED PRODUCTION TECHNICIAN (CPT) ®

ONLINE, SELF-PACED

The purpose of the Certified Production Technician (CPT) ® 4.0 certification program is to recognize through certification, individuals who demonstrate mastery of the core competencies of advanced manufacturing production at the entry-level to front-line supervisor through successful completion of the certification assessments. The goal of the CPT 4.0 certification program is to raise the level of performance of production technicians both to assist the individuals in finding higher-wage jobs and to help employers ensure their workforce increases the company’s productivity and competitiveness.

This course prepares a student to take the four individual certificate assessments in order to become a MSSC Certified Production Technician (CPT) ®. The cost of the course includes the cost of taking each individual assessment via remote proctoring through ProctorU.

Hours: 90
Access length: 12 months
Delivery: online, self-paced
$1,299.00
REGISTER ONLINE

Training Grant/Financial Assistance
You may be eligible to receive job skills training grants if you are unemployed, underemployed, working part-time, or receiving public assistance. For more information, please call 908-835-2432.

Discount Policy
Students eligible to attend classes on a tuition-free basis are permitted to register for Continuing Education courses one day prior to the start date, on a space available basis, and with tuition-paying students constituting the minimum number to run the course. Senior citizens (60 & older) may be eligible for this discount. All course fees must be paid at the time of registration. Students are responsible to purchase required textbooks. Third party vendor programs do not qualify for discounts.

Continuing Education reserves the right to cancel classes due to inclement weather, when enrollment requirements are not achieved or when other college functions take priority. Students will be notified by phone or by email. Tuition and fees are refunded in full when the course is cancelled by WCCC, and no fees are incurred by the student.
