<sup>1</sup> Person living in Warren County on a non-College issued Visa

<sup>2</sup> The general fee helps subsidize student support resources, including tutoring, library services, student registration and advising.

<sup>3</sup> The technology fee helps subsidize IT expenses, including licensing, IT purchases and staffing.

<sup>4</sup> The mandate fee helps subsidize federal and state compliance activities that the College must complete when various statutes are enacted. This helps to cover items such as various federal and state data reporting requirements, wage requirements, training costs, legal and printing expenses.

<sup>5</sup> These fees subsidize additional supply and technical support costs for selected courses, including the cost of chemicals, paper, toner, lab technicians, art models, at specialized tutoring expenses.

<sup>6</sup> Includes bundled ATI on-line resources and practice assessments, which cannot be purchased separately by students.

<sup>7</sup> Semester charge applies to students whose courses are cancelled for non-payment and must be reinstated.

**Contractual Rates:** Courses may be offered by contract to public service agencies such as police departments, fire departments, public school districts, municipal and county governments, and other public service organizations based on mutually agreed-upon rates. Courses may be offered at flat fees for business and industry through the Division of Continuing Education. Also, per contract, the College may waive certain fees for students participating under Senior Option agreements or other college-high school programs.

**US Veterans:** All veterans and their spouses/dependents will be assessed in-county rates.

**Chargeback:** Students eligible for chargeback from a home county shall be assessed in-county tuition. WCCC shall bill the home county for chargeback revenue in accordance with the state-mandated chargeback formula. Students must complete the appropriate documentation with their home county by the deadline specified by their home county to be eligible for this benefit.

**Partnerships with Other Colleges:** Students from counties where WCCC has a reciprocal tuition agreement shall be assessed at the in-county tuition rate or at a rate specified in the reciprocal agreement.
