ONLINE CAREER TRAINING

MEDICAL INTERPRETER (SPANISH/ENGLISH)
The Medical Interpreter training program prepares you to work in hospitals, medical offices and in any healthcare environment where a Spanish interpreter is needed. In addition, the Medical Interpreter training program prepares you to sit in any of the Medical Interpreting examinations available in the country. This program is language specific - Spanish/English.

Prerequisites
1. Familiar with using a PC, mouse, and keyboard, and be comfortable in a Windows or Mac environment.
2. Must speak English and Spanish fluently.

Register online: www.warren.edu/medical-interpreter/

NASM CERTIFIED PERSONAL TRAINER AND EXAM PREPARATION (VOUCHER INCLUDED)
Want to become a leading fitness industry professional and start an exciting career helping others achieve their fitness goals? The NASM Certified Personal Trainer and Exam Preparation is a unique online training program that prepares for the NASM exam to earn one of the most respected and in-demand certifications in the health and fitness industry. You will use a robust set of available resources (videos, presentations, readings, quizzes, activities) to master health and fitness topics, including nutrition, program design, human movement science, fitness assessments, among others. This program includes exam preparation, all study materials, as well as the certification exam fee. The NCCA accredited NASM CPT Personal Trainer Exam is taken at a local PSI Testing Center, and you can schedule your exam date after completion of the program.

Prerequisites: To complete the NCCA Accredited Certification Exam:
1. Must have a high school diploma or GED
2. Must hold current Emergency Cardiac Care (CPR) and Automated External Defibrillator (AED) certification before attempting the exam (not included with course)

NEW! PARENTING WITH G.R.A.C.E.
GRATITUDE, RESPECT, APPRECIATION,
CONSISTENCY AND EXPECTATION

Parenting is an extremely important 24 hour/7 day a week job. There is no manual that gives us all of the answers. It is one of the most difficult, challenging, and rewarding experiences of our lives. Many label it as the ultimate long term investment. Parents need information and a support network through the phases of their child’s development. Join this 4-part parent education series to help you navigate through the process with other parents and caregivers. Each week we will tackle a different topic imperative in the parenting process. Our focus will be on healthy communication skills, discipline, stress management and the importance practicing self-care and self-compassion.

NEW! POSITIVE PSYCHOLOGY – A PATH TO LASTING HAPPINESS AND POSITIVE THINKING SPI898A0
Using positive psychology as the foundation for this class, you will learn the concepts surrounding “happiness,” “positive thinking,” and “living in the moment.” You will learn:
• Methods for controlling and changing your thoughts to become an optimist
• Necessary steps to creating balance in your life
• Learn how to deal with pessimistic people and negative situations
• Learn how to break negative patterns of thinking that are self-defeating
• Learn tips to live mindfully
Join Diane Lang and begin changing your life!
Tues, July 9–July 16, 2019 6:00 pm–8:00 pm
Phillipsburg Ed Center Room P105
Cost: $49

NEW! MEMOIR WRITING SPI899A0
Discover your individual voice and write your personal memoir. Join us as we explore the terrain of the creative memoir with in-class discussions and exercises as well as additional tools to help shape it. This course is geared towards writing for publication and will include a section on marketing your work to publishers. Each student will have the opportunity to do some memoir writing in class and present it for feedback. Students are welcome to bring a laptop or writing tablet for the workshop aspect of the course. **Bring a bagged lunch.**
Sat, July 13, 2019 9:30 am–4:00 pm
Phillipsburg Ed Center Room P105
Cost: $65
NEW! CONSCIOUS RELATIONSHIPS: THE HEALING POWER OF YOUR CALM INNER CENTER SPI897A3
This class will help you identify the damaging emotional patterns that repeat in your relationships. You will learn how to consciously choose your actions and responses from a calm, clear, centered state of being. Your relationships will have the potential to heal and flourish, thanks to your expanded self-awareness.
Mon, June 24, 2019  6:00 pm–8:00 pm
Phillipsburg Ed Center  Room P112
Cost: $25

NEW! HERBS FOR SUMMER SOLSTICE- USING THE SUMMER HERBAL BOUNTY PRS698A3
Of all the times of the year to celebrate plants, no other day is quite as magical as Summer Solstice, occurring between June 20th and June 22nd in the Northern Hemisphere, and marks the longest day of the year. During this class, we will discuss classic summer herbs and make preparations, infused oils, tinctures and teas to stock our home apothecary and celebrate Summer Solstice.
Sat, June 1, 2019  10:00 am–12:30 pm
Phillipsburg Ed Center  Room P107
Cost: $29

NEW! TRADITIONAL CHINESE MEDICINE THEORY – HEART & FIRE ELEMENT PRS698A0
In the practice of Traditional Chinese Medicine, the internal organs are much more than physical structures. Our organs are complex systems involving aspects of the mind, emotion and spirit functioning at the energetic level. In this class, you will explore energetics and discuss herbs and preparations to support the heart - both the western and TCM heart element in this season of Fire - i.e., blood circulation, insomnia, controlling perspiration, and emotional health. A $3.00 material fee payable to the instructor on the first night of class.
Wed, July 10, 2019  6:30 pm–8:30 pm
Phillipsburg Ed Center  Room P105
Cost: $25

NEW! WOMEN’S SELF DEFENSE
This 8-hour course will prepare women to defend themselves against common chokes, grabs, bear hugs, and other attacks often used by larger, stronger aggressors. Since the majority of attacks take the victim to the ground, you will also be trained on how to handle your attacker from the ground so you can get away safely and survive a real attack. This course emphasizes realistic training scenarios and defenses, preparing you to respond both mentally and physically in a time of need, eliminating the danger of “freezing” or “shutting down” during an attack. You will leave this class feeling safe, strong, and empowered. Join us!
REC668A3  June 25–July 23, 2019  Tues & Thurs  10:00 am–11:00 am
No Class 7/4
Esoteric Jiu Jitsu Academy, Washington
Cost: $149

REC668B3  June 25–July 23, 2019  Tues & Thurs  5:00 pm–6:00 pm
No Class 7/4
Esoteric Jiu Jitsu Academy, Washington
Cost: $149

See Summer Refund Schedule on Page 16

Curvy Yoga for Beginners REC663A3
Are you interested in the health benefits of Yoga but were afraid to give it a try? Curvy Yoga is a body positive yoga class for people of all shapes, sizes, abilities and age levels. Anyone can practice yoga; you just need the tips and techniques to create the practice for YOUR actual BODY! Students will learn: how to use yoga props and which ones are right for your body, proper breathing techniques, how to modify poses performed in “regular” classes, basic yoga terms and definitions in preparation to take an open yoga class at any facility. Taught by THE ONLY certified Curvy Yoga teacher from Pittsburgh to Princeton!
June 6–Aug 1, 2019 (no class July 4)  Thurs  6:15 pm–7:15 pm
Phillipsburg Ed Center  Comm. Room
Cost: $79

Register 3 Business Days Before Class To Avoid Cancellation
BEGINNING GOLF – THE LONG AND SHORT OF IT
This course is geared towards the beginner to high handicap golfer. You will learn drills you can practice at home or at the golf range. Lessons will include the short and mid-irons as well as the Woods, Pitching, Chipping, Full Swing, Putting and Sand/Bunker shots. One of the 6 lessons will be at a driving range and students are responsible for the cost of a bucket of balls. All other lessons, the balls will be provided. Material fee of $5 is payable to instructor first day of class. Please bring a water bottle and 9-iron with you to the first class. Open to anyone 18 yrs of age or older. Remember to wear sneakers.

Cost $95

SRC695D2
Wed, May 22–June 26, 2019 5:00 pm–6:30 pm
WCCC Main Campus Meet in lobby at security desk
Cost $95

PICTLEBALL - A SWEET GAME WITH A SOUR NAME - FOR NEW AND ADVANCED BEGINNERS! REC666B2
Pickleball is loads of fun and can be good for your health too! It burns calories, is low impact and is an enjoyable way to socialize. The Journal on Active Aging says it “is North America’s fastest growing sport. It is a fun combination of badminton, ping pong, and tennis.” Pickleball is particularly popular among seniors because while similar to doubles tennis, it is played indoors on a smaller court with a lower net, a less powerful paddle and uses a slower ball. This Intro up to Advanced Beginner class will teach you the Rules, Skills and Winning Strategies with an opportunity to play games during and after class. Paddles and pickleballs will be provided. Please wear sneakers, comfortable clothes and bring a bottle of water.
May 15–June 19, 2019
Wed 12:00 pm–1:30 pm
Franklin Township Municipal Bldg
Cost: $95.00

PISTOL FAMILIARIZATION
This course follows well established, national standards on initial firearm training for thousands of students just like you. Designed for both men and women alike, this course covers safety, functioning, ammunition, marksmanship fundamentals, live fire on the range, storage, transportation, cleaning, selecting a firearm, and other shooting sports activities. Certified instructors are friendly, knowledgeable, and will be available to assist new shooters. Students must be 18 years or older. Pistols, ammunition, eye and ear protective equipment will be supplied.

Phillipsburg Pistol Club
Cost: $74

SPI800A0
Sat, Aug 17, 2019 9:00 am–2:00 pm
Phillipsburg Pistol Club
Cost: $74

PERSONAL ENRICHMENT/SUMMER YOUTH PROGRAMS

Research tells us that older people with an active lifestyle are less likely to develop diseases. Participating in hobbies and other social and leisure pursuits may lower risk for developing some health problems, including dementia.
For more tips on healthy aging please visit www.nia.nih.gov
MAKE YOUR FIRST VIDEO GAME!  
(AGES 8-14)  YOU659A0
If you love playing video games, this is the camp for you! Make your first video game in this one-of-a-kind class that shows you the keys to designing your first 2D platformer game. Conceptualization, play experience, level design, graphics, sounds, and simple coding are just some of the concepts that we’ll explore. No prior experience necessary, just a desire to have fun. Student created games will be available on a password protected Black Rocket website to share with friends and family. Games are only compatible on PC computers; Mac versions can be created after the program for $15.00 conversion fee. Students will work in pairs or teams for most of the program. Returning students can create more advanced projects that build on previous years. Please bring a snack and drink.
July 22–July 25, 2019
Mon–Thurs  9:00 am–12:00 pm
WCCC Main Campus  Room 226
Cost: $160

AMERICAN SIGN LANGUAGE FOR KIDS 
(AGES 8-12)  YOU689A0
Are you interested in learning a “secret” language or want to learn “talk” without saying a word? Then, this is the program for you! Join us to learn American Sign Language. Students will learn basics such as the manual alphabet, numbers 1-50, greetings, phrases, jokes, and basic vocabulary including food, family, and play. Please bring a snack and drink.
July 22–July 25, 2019
Mon–Thurs  9:00 am–12:00 pm
WCCC Main Campus  Room E101
Cost: $99

NEW! DRONES & FLYING PHYSICS  
(AGES 8-12)  YOU62480
Take to the skies with mini drones, quadcopters, and more! Housing a thrilling, hands-on aerial robotics platform, this program is the perfect introduction to the world of unmanned aerial vehicles (UAVs). Safety is a priority as students learn to fly in first-person view (FPV), exploring the real-world applications of drones. Students go through Droneology, the online drone education platform, master basic piloting skills, and family. Games are only compatible on PC computers; Mac versions can be created after the program for $15.00 conversion fee. Students will work in pairs or teams for most of the program. Returning students can create more advanced projects that build on previous years. Please bring a snack and drink.
July 22–July 25, 2019
Mon–Thurs  9:00 am–12:00 pm
WCCC Main Campus  Room 226
Cost: $135

VIDE GAME ANIMATION  
(AGES 8-14)  YOU676A0
Take your game design skills to the next level by creating and animating your own character sprites, objects, and backgrounds. Start with a name, develop the character’s personality, signature moves, special powers, and a storyline. Finish with a fully animated character to be used in your very own game. Students do not need any prior experience in game design, animation, or sketching. Student-created games will be available on a password protected Black Rocket website to share with friends and family. Games are only compatible on PC computers; Mac versions can be created after the program for $15.00 conversion fee. Students will work in pairs or teams for most of the program. Returning students can create more advanced projects that build on previous years. Please bring a snack and drink.
July 22–July 25, 2019
Mon–Thurs  9:00 am–12:00 pm
WCCC Main Campus  Room 226
Cost: $135

THE PLAYHOUSE ACTING WORKSHOP  
(AGES 9–13)  YOU639A0
Children with all levels of acting experience are invited to come enjoy the fun as we explore the world of theatre. Learn all about the stage, costumes, makeup and musicals, how to create characters, learn lines and blocking, and how to make an audience laugh. Material fee of $15 is payable to the instructor on the first day of class. Please bring a snack, drink and lunch.
July 29–Aug 1, 2019
Mon–Thurs  9:00 am–3:00 pm
WCCC Main Campus  Room 123A/B
Cost: $159

SUPER SCIENCE STEM CHALLENGES  
(AGES 7-12)  YOU673A0
Discover the excitement of science and make a variety of toys designed to illustrate science concepts that make learning fun. Most of the projects can be taken home as they are made throughout the week. Make your own working telescope as you learn about the optics of light. Construct an electro-magnet and a working electric motor. Build an adjustable, ball-launching catapult that changes the trajectory of a flinging projectile. Create a working model of Hero Alexandria’s fountain or vortex tornado in a bottle. Make ultra-violet bead bracelets, a working compass, submarine divers, and more. Projects will vary by age level and instructions will be taught in more depth for older students. Please bring a snack and drink.
July 29–Aug. 1, 2019
Mon–Thurs  9:00 am–12:00 pm
WCCC Main Campus  Room 214
Cost: $109

12 Summer 2019 • Register Today! Call 908-689-7613
NEW! PYTHON PROGRAMMERS (AGES 8-14) YOU690A0
Want to learn the world’s fastest growing programming language favored by Google, NASA, YouTube, and the CIA? Learn how to code with Python to create engaging apps and games. Each lesson takes you step-by-step on a programming path that will let you challenge friends with fun content you create from start to finish! Students will work in pairs or teams for most of the program. Please bring a snack and drink.
July 29–Aug 1, 2019
Mon–Thurs  9:00 am–12:00 pm
WCCC Main Campus  Room 226
Cost: $135

BATTLE-BOT BUILD-A-THON (AGES 7-12)
Have fun building and creating using your imagination. Campers will construct a complex Battle-Bot robot from our huge Robotix modular collection. Enjoy working together to build a robot that can clobber its opponent in our sumo-style robot ring. Make your robot as huge and destructive as you’d like as the goal of this competition is to flip your opponent over, pull pieces off, or ram it right out of the arena. Then get ready to modify your design to compete in our robot tug of war, Olympic competition, soccer match, and more. Campers will learn engineering principles in a fun, hands-on atmosphere. All campers will take home a Hexbug Warrior. Please bring a snack and drink.
YOU624CO
July 29–Aug 1, 2019
Mon–Thurs  12:30 pm–3:30 pm
WCCC Main Campus  Room 214
Cost: $109
YOU624DO
Aug 5–Aug 8, 2019
Mon–Thurs  9:00 am–12:00 pm
WCCC Main Campus  Room 214
Cost: $109

NEW! VIRTUAL REALITY: THE FUTURE IS NOW (AGES 8-14) YOU691A0
Embark on an EPIC adventure in virtual reality! In this cutting-edge class, you will learn the foundations of VR design by creating your own virtual worlds, exploring simulated environments, and crafting memorable 3D experiences. At the end of the week, take home your first cardboard VR headset to show friends and family the new worlds you created. VR projects can be viewed on a website or a mobile device. Students do not need a mobile device to take the class, but to use the VR headset a camper will need access to an Android or Apple mobile device. Students will work in pairs or teams and VR projects will be available on a password protected Black Rocket website to share with friends and family. There is an additional $19 lab fee for the VR headset. Please bring a snack and drink.
July 29–Aug 1, 2019
Mon–Thurs  12:30 pm–3:30 pm
WCCC Main Campus  Room 226
Cost: $155

BABYSITTING BASICS (AGES 12-15) YOU622A0
Boys and girls will learn how to market themselves as a sitter and become familiar with age appropriate activities, safety basics, and babysitting etiquette. Pediatric First Aid overview is included as part of this program. This does not include certification. Please bring a snack and drink.
Aug 5–Aug 8, 2019
Mon–Thurs  9:00 am–12:00 pm
WCCC Main Campus  Room E101
Cost: $120

NEW! BATTLE ROYALE: MAKE YOUR FIRST FORTNITE ® STYLE VIDEO GAME (AGES 8-14) YOU692A0
Fans of Fortnite we need you! Instead of playing the game, design your own. Using a professional 3D game development software, build levels and assets inspired by popular battle royale games like Fortnite. This course includes cartoonish action and battle sequences. Student-created games will be available on a password protected Black Rocket website to share with friends and family. Students will work in pairs or teams for most of the program. Please bring a snack and drink.
Aug 5–Aug 8, 2019
Mon–Thurs  9:00 am–12:00 pm
WCCC Main Campus  Room 226
Cost: $135

LEGO® STAR WARS & MOTORIZED MACHINES (AGES 7-12) YOU624E0
LEGO® enthusiasts, have fun building your favorite adventure from a Star Wars galaxy that is far, far away. Star Wars projects will vary depending on availability from LEGO® headquarters, but will include age-appropriate new models and the best of some of the older models. Campers will also build a wide assortment of non-Star War motorized LEGO® Education machines and create their own projects that illustrate science concepts. This is a stimulating enrichment program and not geared as a teacher driven education class. All campers will take home a LEGO® Star Wars project. Please bring a snack and drink.
Aug 5–Aug 8, 2019
Mon–Thurs  12:30 pm–3:30 pm
WCCC Main Campus  Room 214
Cost: $109

For more information visit warren.edu
NEW! ADVENTURES IN AUGMENTED REALITY! (AGES 8-14)  YOU693A0

Watch as holograms come to life in the first ever augmented reality for kids! Students will work in cutting-edge software to create holographic scenes that are viewable with a smartphone and a magic futuristic cube. Student-created projects will be available on a password protected Black Rocket website to share with friends and family. Students will work in pairs or teams for most of the program. There is an additional $19 lab fee for the magic cube and license. Please bring a snack and drink.

Aug 5–Aug 8, 2019
Mon–Thurs  12:30 pm–3:30 pm
WCCC Main Campus  Room 226
Cost: $155

CHEMICAL WIZARDRY  (AGES 7–12)  YOU624F0

Get ready for a fun-filled “magical” laboratory experience Harry Potter style. Enjoy making Flubber, Silly Putty, Super Hi-Bounce balls, and more. Have fun making carbon dioxide “bomb” bag, light inside of a glow bottle, a mushroom monster, play dough, glowing Goo, and even a tie-dye shirt. We will create atomic worm polymers and lava lamp-like blobs. We will also demonstrate the Big Bang Cannon, diet Coke and Mentos Geyser, Magic Genie in a bottle, and more. All campers will take home a mini-chemistry kit & recipe booklet. Please bring a 100% white cotton T-shirt to the second class. Please bring a snack and drink.

Aug 12–Aug 15, 2019
Mon–Thurs  9:00 am–12:00 pm
WCCC Main Campus  Room 214
Cost: $109

NEW! ROBLOX® MAKERS  (AGES 8-14)  YOU694A0

Unlock the power of ROBLOX® Studio, the world creation tool used by real world ROBLOX® developers! Learn how to build 3D models and create an adventure in your ROBLOX® world. Bring characters to life with unique animations you design. Student-created projects will be available on a password protected Black Rocket website to share with friends and family. Students will work in pairs or teams for most of the program. Please bring a snack and drink.

Aug 12–Aug 15, 2019
Mon–Thurs  9:00 am–12:00 pm
WCCC Main Campus  Room 226
Cost: $135

SUPER SCIENCE MAKE & TAKE  (AGES 6-10)  YOU624G0

Discover the excitement of science and make a variety of toys designed to illustrate science concepts that make learning fun. Most of the projects can be taken home as they are made throughout the week. Make your own working telescope as you learn about the optics of light. Construct an electro-magnet and a working electric motor. Build an adjustable, ball-launching catapult that changes the trajectory of a flinging projectile. Create a working model of Hero Alexandria’s fountain or vortex tornado in a bottle. Make ultra-violent bead bracelets, a working compass, submarine divers, and more. Projects will vary by age level and instructions will be taught in more depth for older students. Please bring a snack and drink.

Aug 12–Aug 15, 2019
Mon–Thurs  12:30 pm–3:30 pm
WCCC Main Campus  Room 214
Cost: $109

ROBLOX® CODERS & ENTREPRENEURS!  (AGES 8-14)  YOU688A0

Discover how to code in the Lua language while playing and designing worlds in ROBLOX®, an online universe where you can create anything you dream of. This new class combines game design concepts, coding, and fun! Young entrepreneurs will also learn how to navigate ROBLOX’s fast-growing marketplace to publish their games. Student-created games will be available on a password protected Black Rocket website to share with friends and family. Students will work in pairs or teams for most of the program. Please bring a snack and drink.

NEW FOR FALL 2019! ADDICTION COUNSELING

This non-credit *Certificate in Addiction Counseling* program is primarily designed to prepare students with the practical beginning skills needed to support the recovery of persons with addictive disorders. Completion of these courses will satisfy the New Jersey Certification Board’s 270-hour requirements to be credited towards the CADC credentialing. Students must complete all of the career courses and the externship in order to be eligible for future certification.

**Career Courses include:** Abnormal Psychology, Introduction to Addictions, Assessment and Treatment, Interviewing and Counseling Skills, Advanced Counseling Skills, Introduction to Social Work, Addictions Counseling, & Externship*

*Students need 3,000 hours of clinical time for certification. 300 hours of externship is already approved through the NJ Certification board to be credited towards the 3,000 required hours for certification. Placement in an outpatient setting is arranged through the College.

**FALL 2019 COURSE OFFERINGS:**

**INTRO TO ADDICTIONS** PSY 650
Mon & Wed 12:30 pm–1:50 pm
September 4, 2019 – December 18, 2019

**ASSESSMENT & TREATMENT OF ADDICTION** PSY 652
Mon & Wed 11:00 am–12:20 pm
September 4, 2019 – December 18, 2019
*Pre/co-requisite PSY 650 and PSY 680

**INTERVIEWING AND COUNSELING SKILLS** PSY 653
Tues & Thurs 11:00 am–12:20 pm
September 5, 2019 – December 19, 2019
*Pre/co-requisite PSY 650 and PSY 680

**ABNORMAL PSYCHOLOGY** PSY 680
Tues & Thurs 9:30 am–10:50 am
September 5, 2019 – December 19, 2019
Students must take PSY 650 and PSY 680 prior to, or at the same time as PSY 652 and PSY 653

All courses cost: $498.00 + textbook
All courses held at Main Campus Washington
For additional information, please contact Dr. Nancy Wilson-Soga 908-835-4030
