

# **Course Master Syllabus**

**CATALOG DESCRIPTION:** This course is designed to provide students with the basic framework on which to build a solid understanding of controlling food, beverages, and labor costs. Emphasis is placed on sales analysis, pricing, portion control, cost analysis, menu scoring and guideline percentage tests for all major expense components integral to food and beverage operations. These "control" aspects of the food and beverage industry that dictate profit and loss.

**CORE COMPETENCIES:** The following core competencies are embedded in this curriculum: The following core competencies are embedded in this curriculum: Communicate effectively in both speech and writing; Apply appropriate mathematical and statistical concepts and operations to interpret data to solve problems; Use computer systems or other appropriate forms of technology to achieve educational and personal goals.

### **LEARNING ASSESSMENT**

<i><b>Student Learning Outcomes:</b></i>	<i><b>Suggested Means of Assessment:</b></i>
<b>Apply the basic formula for profit, express both expenses and profit as a percentage of revenue, and compare actual operating results with budgeted operating results</b>	Research, readings, and short answer response
<b>Develop a procedure to record current sales, computer percentage increase or decreases in sales over time, and develop a procedures to predict future sales</b>	Research, readings, and short answer response
<b>Use sales histories and standardized recipes to determine the amount of food products and beverage products to buy in anticipation of forecasted sales</b>	Research, readings, and short answer response
<b>Purchase, receive, and store food products in a cos-effective manner and computer the cost of food sold Computer food cost percentage and compute an accurate cost of goods sold percentage for beverages</b>	Research, readings, and short answer response
<b>Use management techniques to control the costs associated with preparing food and beverage for guests and computer the actual cost of producing an item and compare that cost against the cost you should have achieved. Recognize and be able to apply various methods to reduce the cost of gods sold percentage</b>	Research, readings, and short answer response
<b>Choose and apply the best menu type to an operation and identify variables to be considered when establishing process. Assign prices based on cost, demand, and profitability</b>	Research, readings, and short answer response
<b>Identify factors that lead to employee productivity, develop labor standards and employee schedules, and analyze and evaluate actual labor utilization</b>	Research, readings, and short answer response

## **Course Master Syllabus**

<b>Categorize other expenses in terms of being fixed, variable, or mixed. Differentiate controllable from no-controllable other expenses and compute other expense costs in terms of both cost per guest and percentage of sales</b>	<b>Research, readings, and short answer response</b>
<b>GRADING SYSTEM:</b>	C+ = 77 < 80
A = 90 < 100	C = 70 < 77
B+ = 87 < 90	D = 60 < 70
B = 80 < 87	F = Below 60

**DISABILITY SERVICES STATEMENT:** Warren County Community College is committed to providing all students equal access to learning opportunities. Student Services is the campus office that works with students who have disabilities to provide and/or arrange reasonable accommodations. Students who have, or think they may have, a disability (e.g. mental health, learning, vision, hearing, physical or systemic), are invited to contact Student Services to arrange a confidential discussion at (908) 835-2300 or by email at [StudentServices@Warren.edu](mailto:StudentServices@Warren.edu) as soon as possible. Students registered for Disability Services with Student Services, who have requested accommodations for the current semester will be provided with an electronic letter detailing individual accommodations and are encouraged to contact the instructor early in the semester to discuss accommodations outlined in their letter.

**INSTRUCTIONAL SUPPORT CENTER:** The Instructional Support Center (ISC), located in Room 105 across from the library, provides academic support at no cost to WCCC students and is available for courses in which they are currently enrolled. The ISC is staffed with trained professional and peer tutors who are ready to help you understand and succeed. For scheduling or further information, visit the ISC in person, online at <http://www.warren.edu/tutoring/> or by telephone at (908)835-2354.

**STATEMENT AND POLICY ON CHEATING, PLAGIARISM AND ACADEMIC DISHONESTY:** Students are required to perform all the work specified by the instructor, and are responsible for the content and integrity of all academic work submitted. A violation of academic integrity will occur if a student: (1) knowingly represents work of others as one's own, (2) uses or obtains unauthorized assistance in any academic work, (3) gives fraudulent assistance to another student, or (4) furnishes false information or other misuse of college documents.

In cases of suspected violation of academic integrity, the incident is to be reported to the Office of Academics. A student found guilty of violating the rule of academic integrity by the Vice President of Academics will be considered to have failed in personal obligation to the College; such failure will be subject to disciplinary action by the College. Unless otherwise notified, the instructor will allow students who are pending disciplinary action to attend class.

## **Course Master Syllabus**

---

**REQUIRED FORMAT FOR RESEARCH PAPERS:** Research papers written for any Warren County Community College class must conform to the required documentation style. Papers written for humanities (and some social science) classes will follow the most recent edition of the Modern Language Association (MLA) in-text citation and bibliographic methods. Social science and science papers will require the use of the most recent edition of the American Psychological Association (APA) in-text citation and bibliographic methods.

Please consult with your instructor regarding the correct documentation style to use in his/her class.

**ATTENDANCE POLICY:** Students are expected to attend all class sessions of courses in which they are enrolled and are responsible for all material presented in class and all homework assignments.

Grades are based on the quality of work completed in meeting the requirements for a particular course, as stated in the course syllabus and catalog description.

Excessive absence may be considered sufficient cause for dismissal from class by an instructor or other appropriate college staff member. Any decision to exclude a student from class or the College due to excessive absence shall be subject to review by the President in accordance with established procedures. Students who have not attended class are not entitled to a refund of tuition.

### Library Hours

Monday-Thursday 8am-8pm

Friday 8am-3pm

Check the Academic Calendar for specific holiday dates. Exceptions may apply during breaks and summer sessions. Any changes to the Library's hours are posted on the Library's web page and near the Library doors.

- **Passwords and Log-Ins**-The Library is responsible for resetting passwords for your Network account (email, computers, Wi-Fi, library resources, and printing). This cannot be reset over the phone. Please stop by the Library for help.
- **College IDs**-College IDs are required for all students. The Library is responsible for producing all ID cards. To get an ID card you must bring to the Library a current copy of your class schedule and another form of ID. Your student ID is also your library card and is needed to check materials out of the Library. Your first ID card is free and replacement cards are issued at a cost to the student.
- **Inter-Library Loan (ILL)**-The Library participates in a nation-wide inter-library loan program which is available free to all students and faculty. You can either submit ILL
