# Food and Beverage Management

## Associate in Applied Science

The A.A.S. in Food and Beverage Management is a non-transfer degree. This program is designed for students interested in college-level instruction in the Culinary Field. This will be a joint program between Warren County Community College and Warren County Technical School which has been developed to meet the common goals of both institutions. The program features a broad range of food and beverage courses that will prepare students for entrance into the culinary field in a management capacity. Courses in management and a number of culinary courses will allow students already in this field to hone their skills. The program will enable interested students who have already begun study in this specific field to advance their knowledge and to transfer their learning into practice in chosen areas of food and beverage management.

### Elective Categories:
