MEDICAL ASSISTING

Associate in Applied Science

The Associate in Applied Science in Medical Assisting is designed to provide college-level education and preparation to students who wish to enter the field of Medical Assisting. This degree program is an extension of the career-track certificate offered through the continuing education department. Graduates of the A.A.S. degree program are also issued a certificate in Medical Assisting. Upon completion of the program, students are eligible to sit for the CMA examination, offered through the American Association of Medical Assistants.

This Medical Assisting degree program prepares students for positions as medical assistants in physician's offices and other outpatient, ambulatory care facilities. The A.A.S. in Medical Assisting is a terminal degree; however, general education courses may be transferred to a 4-year institution. Students may choose to continue in the field of Nursing, Health and Hospital Care Administration, or a variety of other allied health care programs
