

SARA Complaint Process for On-Line Students

Students attending WCCC through Distance Education are covered by the same policies and procedures as students attending campus in-person. Students have the following resources available to help guide them

Academic Catalog: <http://www.warren.edu/academic-catalog-2/>

Student Handbook: <http://www.warren.edu/student-handbook/>

Key policies and procedures relevant to students are also found under:

Student Disclosure Procedures: <http://www.warren.edu/student-disclosure-information/>

Complaint Process

Warren County Community College is dedicated to providing the best possible educational outcome for all students, whether students are taking in-person, remote or distance education classes. As with any complaints, the College will make an attempt to resolve the issue expeditiously through our internal process. Distance Education students may complete a student complaint form and send that form electronically to pratt@warren.edu.
