

WCCC ServSafe® Manager Course FNM615B1 Mon. Nov. 22nd and Nov. 29th

In this 8-hour course, managers will learn the following and how to share this information with their staff:

- sanitation concepts and the dangers of foodborne illness
- safe operation and preventing cross contamination
- applying sanitation and cleaning concepts to your overall operation including pest management.
- This course serves as a review and prepares the student for the national ServSafe certification exam.

This course is recommended for recertification and/or people with at least one year of foodservice experience.

The textbook **MUST** be obtained and **READ PRIOR** to the first day of class.

The textbook can be ordered online at www.servsafe.com (ServSafe Manger 7th edition **with exam sheet**) ISBN# 978-1-58280-331-9 <https://www.servsafe.com/access/SS/Catalog/ProductDetail/ESX7> or by calling the NRA @ 1-800-765-2122.

Certification test is administered the second day of class from 3 – 5PM.
Students **MUST** bring the exam answer sheet to test that day.

ServSafe exam is available in English, Spanish, Chinese, Korean, Japanese, French and Canadian.

Please let us know, at the time of registration, if you need an exam other than in English
