ACCOUNTING MANAGEMENT

Associate in Applied Science

The Associate in Applied Science, Accounting Management Option is a two-year program designed to prepare students for jobs that require both management and accounting skills. The program is composed of general education courses, management courses, and a strong core of accounting coursework. The program has been designed for skill development and therefore does not transfer as easily into a baccalaureate accounting program. Students planning to pursue a Bachelor's degree in accounting should enroll in the A.A. Liberal Arts, Business Administration option.
