CAMPUS SECURITY REPORT

Warren County Community College is dedicated to the safety and welfare of our students, faculty, staff and visitors and we are committed to providing a safe and secure campus environment. The following information is provided due to our commitment to campus safety and security. This edition of the Annual Security Report is in compliance with the federal law, Section 485 (a) and (f) of the Higher Education Act, also known as the **Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act** and the Violence Against Women Reauthorization Act of 2013. The following is a summary of information concerning campus procedures and crime statistics.

Campus Security Act

The Campus Security Act requires all colleges and universities to:

- Publish an annual report every year by October 1 that contains three years of campus crime statistics and certain campus security policy statements.
- Disclose crime statistics for the campus, public areas immediately adjacent to or running through the campus, and certain non-campus facilities and remote classrooms. The statistics must be gathered from campus police or security, local law enforcement, and other College officials who have "significant responsibility for student and campus activities".
- Provide "timely warning" notices of those crimes that have occurred and pose an ongoing "threat to students and employees"; and
- Disclose in a crime log "any crime that occurred on campus or within the patrol jurisdiction of the campus police or campus security department and is reported to the campus police or security department."

Campus Security

The Warren County Community College Security Department is staffed by non-sworn unarmed security officers who are always available when the College is open. A security desk is in the main lobby just inside the front doors of both the Main and Phillipsburg buildings. Security at the main campus can also be reached by phone at **908-835-2455**, and Security at the Phillipsburg campus can be reached by phone at **908-878-0202**.

The Public Safety Coordinator's office is located in Room 107 (the first office on your left when entering the main building) or at 908 835-2365. An Emergency Phone is located on the second floor of the East end stairwell with direct connection to police, fire and rescue. In addition, there are five strategically located Emergency Phone Tower locations positioned in the parking lots with direct access to campus security. All students, faculty, staff, and visitors should promptly report criminal incidents, accidents, and other emergencies to Security.

Telephones are in every classroom with phone number listings nearby. All phones can also be used to dial 911 for all emergencies. All Security Officers are certified in accordance with the

CAMPUS SECURITY REPORT

New Jersey Security Officers Registration Act which requires training in first aid, CPR and use of Automatic Defibrillation Devices as well as other safety and security issues.

The Security Department has authority to enforce college policies. The Security Officers have the authority to ask persons for identification and to determine whether individuals have lawful business on the campus. These security officers have the authority to prepare incidents and other type of reports, but do not have the power to arrest. The investigation of criminal activities is referred to either the Washington Township or Phillipsburg Township Police Departments. The Warren County Community College Security Department has a close working relationship with both the Washington Township and Phillipsburg Township Police Departments who are the primary law enforcement authority for the college with the power to arrest on campus. These Police Departments also perform routine security checks and “walk throughs” at the College to familiarize themselves with the College facilities, community and to observe and deter suspicious and criminal activity.

Daily officer reports are submitted to the Coordinator of Campus Safety recording all activity that occurs on each shift including: all transport services provided, times that building checks are performed and, any outdoor lights which are not functioning. Warren County Community College has not had any reportable crimes in recent years on campus at either the Washington Campus or Phillipsburg site.

Reporting an Incident or Crime

Warren County Community College encourages all members of the College community to report criminal activity or incidents to Security. If there is a need for emergency assistance from the local Police, Fire or Emergency Medical services, go to the nearest phone and dial 911 to report the emergency and then notify Campus Security of the incident. Main Campus at extension 2455 or Phillipsburg Campus at extension 5202. Any less serious incidents can be reported to the following locations:

- Security Desk – Main Lobby
- Security Office – Room (107)

A written daily crime log is maintained that records by date all crimes reported on campus. The crime log is available through Campus Operations. Any portion of the log older than 60 days is available within two business days of a request for public inspection.

Annual crime statistics are compiled at the close of each calendar year by the Public Safety Coordinator, The Dean of Administration and in collaboration with the Washington Township and Phillipsburg Township Police Departments.

Voluntary Confidential Reporting

CAMPUS SECURITY REPORT

If you are the victim of a crime and do not want to pursue action within the College system or the criminal justice system, you may still want to consider making a confidential report. With your permission, the College Security Department can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of others and yourself. With such information, the College can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime regarding a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crimes' statistics for the institution.

Reporting to Other Campus Security Authorities (CSAs)

While the College prefers that community members promptly report all crimes and other emergencies directly to the Campus Security Department at 908-835-2455 or local police through 911, we also recognize that some may prefer to report to other individuals or college offices. The Clery Act recognizes certain college officials and offices as "Campus Security Authorities (CSA)." The Act defines these individuals as an "official of an institution who has significant responsibility for student and campus activities, including, but not limited to, student discipline and campus student conduct proceedings. An official is defined as any person who has the authority and the duty to act or respond to particular issues on behalf of the institution."

WCCC has identified the following individuals as CSAs. They are the people to whom campus community members should report crimes.

The following College positions are identified as Campus Security Authorities:

- President
- Vice Presidents
- Deans
- Full-Time Advisors
- Affirmative Action Officer/Title IX Compliance Officer
- Campus Security Coordinator

**Any person assigned as "Acting" in any of the above roles.*

Emergency Notification System

Warren County Community College has contracted with Rave Alert to provide emergency notification to students. This is a self-enrollment system that permits students and employees to receive text and e-mail alerts. The instructions for this system are as follows:

CAMPUS SECURITY REPORT

1. Go to www.getrave.com/login/warren.
2. Enter the requested information and agree to the terms of use.
Note: If you are prompted to go to your email, please do so and select the link there to continue the registration process.
3. During registration for mobile phone updates, you will be asked to enter a 4-digit confirmation code that was sent to your phone via text message. Please enter the 4-digit code in the website to complete your phone registration.

Points of Contact

Warnings will be issued to the Campus Community through any or all of the means listed below:

- Campus wide e-mail system.
- RAVE Text message.
- Notification on the WCCC website.

When the system will be used

- An impending emergency
- An actual emergency
- Updates regarding a current emergency
- School closures due to weather or other circumstances

Timely Warnings

If a situation arises, either on or off campus, that in the judgment of the Campus Safety Office and/or Campus Operations, constitutes an ongoing or continuing threat, a campus wide Campus Safety Alert (timely warning) will be issued. The Campus Safety Alert will be issued through the College's email system to students, faculty, and staff. The information will also be posted on the WCCC website. The Campus Safety Alert will include information to promote safety and help aid in the prevention of similar crimes. In addition, it will include information about the crime that triggered the warning, including the nature of crime, any suspect information and location of the incident.

Emergency Notifications

The Campus Safety Office and Campus Operations is authorized to send emergency notifications through the selected contracted vendor (RaveAlert) to the WCCC Community if it is determined that there is an emergency or dangerous situation that poses an **immediate threat** to the health or safety of some or all members of the WCCC Community. Situations that may warrant an emergency notification include, but are not limited to:

- An emergency incident in progress; active shooters, bomb threats, civil unrest, and

CAMPUS SECURITY REPORT

evacuations

- Potential impending emergency incidents such as tornado warnings and other serious weather events
- Safety messages regarding suspicious persons, area or school closures, crimes against person where the suspect is not apprehended
- Termination messages including all clears, status updates or re-opening of campus or buildings

The Campus Safety Office or Campus Operations shall without delay and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the judgment of the first responders (including, but not limited to: the Washington or Phillipsburg Township Police Departments, and/or the Washington or Phillipsburg Township Fire Departments), compromise the efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency. Before sending a message, the incident must be confirmed through one or more of the following methods:

1. Confirmation of an emergency in progress is subject to:
 - a. Confirmation of the incident by an emergency responder in the area
 - b. Visual confirmation via the Camera systems
 - c. Audible confirmation either in person or via telephone systems
 - d. Three (3) unique reports of the incident from members of the public or College community
2. Confirmation of an impending emergency is subject to confirmation of the incident by an emergency responder or relevant agency

The system will be tested during the Fall and Spring semesters. Users opt in to receive text messages, but all WCCC Community members will receive the notification via email. WCCC community members can sign up to receive messages through RaveAlert. For additional information visit: www.getrave.com/login/warren

Weather Emergencies

When snow, sleet, high wind, or other conditions are considered serious enough to affect personal safety in going from or to classes or college facilities, the College will delay classes, cancel classes, or close completely. In these instances, the College will notify students and employees through the Emergency Notification System. In addition, messages will be placed on the main College number (908) 835-9222 and on the College's website (www.warren.edu). Depending on the lead time and the situation, closings may also be announced over area radio stations.

Note: When a delayed opening is announced, classes beginning after the delayed opening

CAMPUS SECURITY REPORT

time will meet at their regularly scheduled time. No shifting of class times is done when delayed openings are announced.

Emergency Response and Evacuation Procedures

Emergency Management at WCCC

The Campus Security Department and Campus Operations are responsible for the Emergency Operations Plan (EOP). This plan is designed to be an all-hazards disaster response and emergency management plan that complies with FEMA guidelines for Higher Education that includes planning, mitigation, response, and recovery actions.

Our priorities are:

- Life safety, infrastructure integrity, and environmental protection during an emergency.
- Coordination with college departments to write, maintain, test, and exercise the EOP; and
- Cooperation, Integration, and Mutual Aid with local, state, and federal planning, response, and public safety agencies and their EOPs.

The College's Emergency Operations Plan is reviewed on an annual basis for updates. The most current update took place in May 2022. This plan is distributed to all offices on campus. Tabletop exercises have taken place to assess the plan.

There are four goals of the EOP:

1. Preparedness: Planning for an emergency or disaster event.
2. Response: The planned response to an emergency or disaster event.
3. Recovery: The process of returning to normal operations; and
4. Mitigation: Steps taken to prevent the effects of an emergency or disaster itself.
A hazard mitigation plan has also been written.

Drills, Exercises and Training

Annually, the College conducts an emergency management exercise to test emergency procedures. The scenarios for these exercises change from year to year and include several departments from across the county.

To ensure the College's emergency management plans remain current and workable, the College will conduct an emergency management exercise, at a minimum once a year. These exercises may include tabletop drills, emergency operations center exercises, or full-scale emergency response exercises. Following all drills and exercises a report, post exercise improvement plan, or corrective action plan is completed documenting the details and outcomes of the exercise.

In case of an emergency or a life-threatening situation, a decision to evacuate the building will

CAMPUS SECURITY REPORT

be made by the College. Once the order is given to evacuate, staff and visitors will exit the building according to the posted instructions in the area. In the event of the activation of them, the building would be evacuated IMMEDIATELY. Activation of the fire alarm also results in the notification of 911.

The Dean of Campus Administration and the Coordinator of Campus Safety will be responsible for coordinating the safe evacuation of the building. Facilities staff will also assist in this process.

Evacuation Routes

When a Campus building is evacuated, individuals should assemble as follows:

Main Campus:

- All personnel who exit from the front of the building should proceed across the main access driveway into the main parking lot.
- All personnel who exit from the rear of the building should proceed around the building, cross the grass to the sidewalk and continue west to the Warren County Communications Center driveway.

Phillipsburg Location:

- Evacuation routes are published in each classroom.
- All personnel who exit through the main front door, handicapped entrance or door leading off the dock should cross Marshall Street and reassemble in the parking lot.

Classroom Emergencies

All classrooms are equipped with phones to be used in case of an emergency or to report problems within a classroom.

- For non-essential security matters, contact Security (Main Campus x2455/Phillipsburg x5202).
- For maintenance, HVAC or other matters, contact Campus Operations at (x2330).
- For any emergency that requires outside services, dial 911 from a cell phone or 8-911 from a campus phone.
- Should you contact 911, contact Security (Main Campus x2455/Phillipsburg Campus x5202) afterwards so that a security officer can be available to direct any emergency vehicles and/or personnel.

Depending on the circumstance and if practicable, the College will use the telephone system to communicate a mass alert regarding an emergency on campus.

Access to Campus

CAMPUS SECURITY REPORT

The Warren County Community College is an “open campus concept” serving students and the public. The College is generally open from 8a.m. through evening classes (which vary by day and semester.) While the entire campus community is encouraged to practice personal safety awareness, the Security Officers are on duty and monitoring all activities on the campus. Security works closely with Campus Operations to ensure safe facilities on campus. The campus and parking areas are well lighted, maintained and landscaped for the safety of all. The College community is encouraged to report any deficiency in lighting or other safety concerns to campus security.

TITLE IX – Educational Amendments of 1972

The College maintains a strict policy prohibiting discrimination or harassment based on sex, including sexual assault and gender identity discrimination in any education program or activity. This policy applies to all employees, students, executives, officers, Trustees, Foundation Directors, independent contractors, visitors to the College and third parties. (Also see policy 201.2 Anti-Harassment)

The College will respond to all notices/complaints of discrimination based on sex in any educational program or activity which include locations, events, or circumstances over which the College exercises substantial control over both the respondent and the context in which the sexual harassment occurs. Anyone, who has been the victim of sexual harassment or discrimination regarding a College program or activity should immediately contact the Director of Human Resources/Title IX Coordinator. All notices/complaints of discrimination as stated above should be directed to the Director of Human Resources/Title IX Coordinator at 908-835-2356. The office is Room 125 on the Washington Campus. If this individual is not available, the notice/complaint should be reported to the Public Safety Coordinator or a College Executive.

Definitions:

Actual knowledge means notice of Title IX violations including sexual harassment or allegations of sexual harassment to the College’s Title IX Coordinator or any official of the College who has authority to institute corrective measures on behalf of the College.

Sexual Harassment means conduct on the basis of sex where a College employee conditions education benefits on participation in unwelcome sexual conduct (i.e. quid pro quo); or any individual, as applicable to this policy, demonstrates unwelcome conduct that a reasonable person would determine is so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the College's education programs or activities; or sexual assault (as defined by the Clery Act), dating violence, domestic violence, or stalking as defined in the Violence Against Women Act (VAWA). (See policy 309.2).

CAMPUS SECURITY REPORT

Complainant is defined as an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

Respondent is defined as an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

Investigator is defined as the person or persons charged by the College with gathering facts about an alleged violation of this policy, assessing relevance and credibility, evaluating evidence, and compiling this information into an investigation report and file of directly related evidence.

Advisor is defined as a friend, mentor, family member, attorney, or any other individual a party may choose to advise, support, and/or consult with them throughout the resolution process.

Decision-maker is defined as the person who has decision-making and sanctioning authority within the College's formal grievance process.

Formal Complaint is defined as a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the College investigate the allegations of sexual harassment.

Supportive Measures mean non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, without fee or charge, to the complainant or respondent, before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the College's education programs or activities, without unreasonable burdening the other party; protect the safety of all parties and the College's educational environment; and deter sexual harassment. Supportive measures can include advising, course-related adjustments, modifications of work or class schedule, campus escort services, increased security & monitoring of certain areas of campus, and mutual restrictions on contact between the parties.

Finding is a conclusion by preponderance of evidence that the conduct did or did not occur as alleged.

Final Determination is a conclusion by preponderance of evidence that the alleged conduct occurred and whether it did or did not violate policy.

Reporting A Title IX Complaint

Students or members of the community should report a Title IX claim or allegation directly to the Director of Human Resources/Title IX Coordinator at (908) 835-2356. The office is Room 125 on

CAMPUS SECURITY REPORT

the Washington campus.

Should students or members of the community report a Title IX complaint to a WCCC employee or contractor, that individual has an obligation to immediately report the matter to the Director of Human Resources/Title IX Coordinator. If this individual is not available, the employee or contractor should report the matter to a College Executive or the Public Safety Coordinator. That individual will gather the initial information and refer the matter to the Director of Human Resources/Title IX Coordinator for further investigation.

Upon receipt of a Title IX complaint by the Title IX Coordinator, the College will respond promptly, offer supportive measures to the complainant, and begin an investigation.

If there is reason to believe that a student has been sexually assaulted or harassed by another person and the College has sufficient information to file a student conduct referral, action will be taken within the student conduct system, regardless of whether the case is pursued by the victim or under state, criminal, or civil codes.

The Director of Human Resources/Title IX Coordinator, in conjunction with the Public Safety Coordinator, will lead the investigation for any violations of Title IX. These individuals will use appropriate resources to document and investigate the matter. The College will evaluate all relevant evidence, inculpatory and exculpatory, and avoid credibility determinations based on a person's status as a complainant, respondent, or witness.

Once the investigation of a claim is complete, the case will be referred to the Vice President of Student Services for determination of any internal judicial process necessary in the matter. Possible college sanctions for Title IX violations include, but are not limited to suspension, and/or expulsion from the College. Students found in violation of the College's Sexual Assault/Sexual Violence Policy also may be assigned developmental and educational interventions designed to promote greater awareness, improved decision-making, and to further deter future misconduct.

In instances where there is reasonable cause to believe a student or an employee is an immediate threat to the safety of themselves or other persons or property or is an immediate threat to disrupt essential campus operations, the College shall implement an Interim Suspension of that individual.

Provided that the complaint is not resolved through informal resolution and the final investigation report is shared with the parties, the Title IX Coordinator will refer the matter for a live hearing. At the live hearing, a college appointed Decision-maker will permit each party's Advisor to ask the other party and any witnesses all relevant questions and follow-up questions, including those challenging credibility. Such cross-examination at the live hearing must be conducted directly, orally and in real time by the party's Advisor only. The Decision-maker will evaluate all relevant evidence and issue a written determination regarding responsibility with findings of fact, conclusions about whether the alleged conduct occurred, rationale for the result

CAMPUS SECURITY REPORT

as to each allegation, any disciplinary sanctions imposed on the respondent, and whether remedies will be provided to the complainant. This written determination must be sent simultaneously to the parties along with information regarding the appeal process.

All reports of Title IX violations will be treated with confidentiality and respect for the privacy of the reporting individual(s). Information concerning conduct proceedings including the outcome of any conduct hearing related to Title IX shall be available to the victim at the same time the information is provided to the alleged perpetrator.

In addition, retaliation against individuals who report Title IX violations and/or who participate in college conduct hearings will not be tolerated and will be addressed through the College's internal judicial process. Retaliation includes, but is not limited to intimidation, threats, coercion, and/or discrimination perpetrated directly, indirectly, and/or through third parties, which involves any type of media, social media, email, texting, and/or other electronic communications, etc. Issues of retaliation will be investigated by the Director of Human Resources/Title IX Coordinator. Issues where there are immediate threats made to a person or persons will be immediately referred to Campus Security and local law enforcement.

The judicial policies and procedures are contained in the College Handbook for further information at www.warren.edu/student-handbook/. For additional questions, special needs, or to request a hard copy of the Student Handbook containing the College's policies and procedures, please contact the Office of Student Services at 908-835-2300.

The College will follow a consistent, transparent grievance process for resolving formal complaints of Title IX violations. The College will treat complainants equitably by providing remedies any time a respondent is found responsible, to maintain the complainant's equal access to education programs and activities.

All notices/complaints of Title IX violations will be treated with confidentiality and respect for the privacy of the reporting individual(s). There will be no retaliation taken against an employee or student solely for being a victim of discrimination or harassment on the basis of sex or reporting such an incident to a College official.

Campus Sexual Assault/Victim's Bill of Rights

Warren Community College is committed to maintaining an academic/work environment for all students, faculty, and staff that is free from sexual assault and nonconsensual sexual contact. Any allegation of sexual assault and non-consensual sexual contact will be treated seriously. Such behavior or threat thereof shall not be tolerated. Full assistance and prompt cooperation will be provided in notifying the proper criminal and civil authorities. The College will adhere to the directives of the law enforcement agency responsible for the sexual assault investigation. In

CAMPUS SECURITY REPORT

addition, any student, faculty, staff, or administrative employee of the College determined to have violated this policy will be subject to immediate and appropriate disciplinary sanctions.

Anyone who has been the victim of a sexual assault, attempted sexual assault, or nonconsensual sexual contact on the WCCC campus should immediately contact the Director of Human Resources/Title IX Coordinator. This individual can provide supportive intervention, including information and referral for contacting the police, obtaining appropriate medical care, preserving evidence for possible criminal prosecution, obtaining a temporary restraining order, and contacting the available counseling and support services.

Counseling, on-going support, and information about college disciplinary action may be obtained through the Office of Student Services. In addition, the victim of such an assault may request changes as needed, in his/her academic circumstances (i.e., course section, credit load). All requests considered to be reasonable will be implemented promptly.

All interventions shall be made in accordance with The Campus Sexual Assault Victim's Bill of Rights as adopted by the New Jersey Commission on Higher Education in October 1995. This Bill of Rights shall be published in the Student Handbook

Sexual Assault/Sexual Violence Information and Procedures

WCCC is committed to ending all forms of interpersonal violence. This policy (Policy 309) covers the topics of sexual assault, domestic violence, dating violence, and stalking in accordance with the Violence Against Women Act of 2013. **Sexual assault, domestic violence, dating violence, and stalking are crimes and can be reported to the police, by calling the WCCC Security Office at 908-835-2455 or the local Police at 911.**

Title IX of the Educational Amendments of 1972 prohibits discrimination based on sex in any education program or activity. Sexual harassment of students, which includes acts of sexual violence, is a form of sex discrimination prohibited by this federal law. The WCCC Anti-Harassment Policy (Policy 201.1) prohibits sexual harassment or sexual violence and provides reporting procedures. WCCC offers support to victims of interpersonal violence, including assisting victims in accessing resources on and off campus.

When incidents of sexual harassment and/or sexual violence, domestic violence, stalking, and dating violence, occur and are reported to campus, WCCC will take immediate and effective steps to end sexual harassment and sexual violence, including but not limited to contacting the police. In addition, retaliation against individuals who report sexual harassment and/or sexual violence and/or who participate in college conduct hearings will not be tolerated and will be addressed through the College's judicial process. Retaliation includes, but is not limited to intimidation, threats, coercion, and/or discrimination perpetrated directly, indirectly, and/or through third parties, which involves any type of media, social media, texting, emails, and/or

CAMPUS SECURITY REPORT

other electronic communications, etc.

Questions about WCCC's Anti-Harassment Policy and Title IX procedures can be directed to the Human Resources Director / Affirmative Action Officer / Title IX compliance Officer, at, 908-835-2356. The office is in Room 125 on the Washington campus.

Definitions of Domestic Violence, Dating Violence, Stalking and Consent

Domestic Violence – Domestic violence pursuant to New Jersey statutes is defined as one or more offenses, such as physical harm, bodily injury, assault, or the infliction of fear of imminent physical harm, bodily injury or assault between family members, household members, residents sharing living space or dating relationships. When notified, the College will comply with any protective or restraining orders or other court orders.

The following are a list of criminal offenses included in New Jersey's Domestic Violence Act

Homicide N.J.S.A. 2C:11-1	Criminal sexual contact. N.J.S.A. 2C:14-3
Assault N.J.S.A. 2C:12-1	Lewdness N.J.S.A. 2C:14-4
Terroristic threats N.J.S.A. 2C:12-3	Criminal mischief. N.J.S.A. 2C:17-3
Kidnapping N.J.S.A. 2C:13-1	Burglary N.J.S.A. 2C:18-2
Criminal restraint N.J.S.A. 2C:13-2	Criminal trespass N.J.S.A. 2C:18-3
False imprisonment N.J.S.A. 2C:13-3	Harassment N.J.S.A. 2C:33-4
Sexual assault N.J.S.A. 2C:14-2	Stalking N.J.S.A. 2C:12-10

Complete definitions of the above can be complex. No one outside of official law enforcement and/or the prosecutor's office is trained to decide applicability. Therefore, WCCC policy compels all college administrators, faculty, staff, and employees to report any perceived or alleged incidents directly to the Director of Human Resources/Affirmative Action Officer/Title IX Compliance Officer (HR Director) and/or Campus Security, who will work in conjunction with the Public Safety Coordinator, to lead an investigation to determine the appropriate action.

Dating Violence – Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim where the relationship is determined by consideration of length of relationship, type of relationship, and frequency of interaction.

Stalking – Course of conduct directed at a specific person that would cause a reasonable person to fear for the safety of self or others or suffer substantial emotional distress. Stalking behaviors are sometimes characterized as persistent and frequent unwanted in-person contact, surveillance, and unwanted telephone or other electronic contact.

Consent – Voluntary, positive agreement between the participants to engage in specific sexual

CAMPUS SECURITY REPORT

activity.

Victims often have difficulty reporting sexual violence for numerous reasons such as knowing the perpetrator, fear of retaliation, fear of parents knowing about the incident, and/or fear of getting in trouble with law enforcement. Despite these concerns, it is vital to report such incidents to the appropriate college authorities.

All college administrators, faculty, staff, and employees are compelled to report any alleged incidents to the Director of Human Resources /Affirmative Action Officer/Title IX Compliance Officer (HR Director) at (908) 835-2356. The office is Room 125 on the Washington campus. In the case of an immediate emergency, contact Campus Security at (908) 835-2455.

General Informational Guidelines for Victims of Sexual Violence

The following information provides guidelines to follow should sexual violence occur.

- Get to a safe place as soon as possible.
- Try to preserve all physical evidence – The victim should not shower, bathe, or wash any part of your body. Do not use the toilet or douche. Do not change clothing, brush your teeth, gargle, or comb your hair.
- Seek medical attention. If you were sexually assaulted, your healthcare provider can provide additional guidance to assist you. You also can have evidence collected at a hospital emergency department. Evidence collection should occur as soon as possible.

The victim can request an advocate to assist him/her. An advocate will provide information about resources and options for reporting the crime, seeking medical care, counseling, and other services. Advocacy Services are free and confidential and are available 24 hours a day, 7 days a week. Advocates are available through the **Domestic Abuse & Sexual Assault Crisis Center of Warren County at 908-453-4181 or 866-6BE-SAFE [623-7233]**.

- Contact the police—Sexual assault, domestic violence, dating violence and stalking are crimes. It is vital to report it. It is important to remember that reporting a crime is not the same as prosecuting the crime. The decision to prosecute may be made at another time. The final decision to prosecute is determined by the County Prosecutor.

Resources to Assist Victims

In the case of sexual assault, domestic violence, dating violence or stalking incident(s), a victim should be encouraged to access the following support services:

CAMPUS SECURITY REPORT

- 1. WCCC Campus Security at 908-835-2455 (Washington) or 908-878-0202 (Phillipsburg):**
This office will immediately contact the local police. The local Police will take immediate and appropriate action to investigate any allegation of sexual assault and, if evidence exists, will take appropriate action to end the sexual violence and prevent its recurrence. In cases requiring urgent measures, victims should contact the local police by dialing 9-1-1. Ensure that the victim is in a safe and secure environment and encourage him/her to preserve all physical evidence. Even if the allegation is deemed not subject to a criminal investigation, the College will initiate its policies and procedures regarding any complaints. Campus Security/Campus Operations and Student Services are available for consultation and/or support regarding questions concerning procedures and services that are available for sexual assault/violence victims. Campus Security are available to provide escort services to victims who are victims of sexual assault/violence, upon request of the victim.
- 2. Medical Attention:** If the alleged abuse or assault occurred within the last seventy-two hours, encourage the victim to seek medical attention at a nearby hospital. Each hospital has the facilities and expertise to conduct medical-legal examinations, even if the victim prefers not to prosecute. This step is important, so that s/he receives proper assessment and treatment of any physical injuries sustained in the assault.
- 3. Counseling/Advocacy Services:** The Domestic Abuse & Sexual Assault Crisis Center of Warren County is available to students to provide confidential counseling services at 908-453-4181 (website: www.dasacc.org).

Student Conduct Policies and Procedures

The crimes of rape, sexual assault, domestic violence, dating violence, and stalking, as well as, harassment, possession of alcohol, illegal drugs, and firearms, when perpetrated by students are in violation of this policy and WCCC Standards of Community Conduct (Policy 304.3). The Office of Student Services is the primary office responsible for administering the judicial aspects of the WCCC Standards of Community Conduct and related policies. Students or members of the community may report a claim or allegation directly to the Director of Human Resources Director/Affirmative Action Officer/Title IX Compliance Officer (HR Director) at (908) 835-2356. The office is Room 125 on the Washington campus.

That individual will gather the initial information and refer the matter to the HR Director for further investigation.

If there is reason to believe that a student has sexually assaulted another person and the College has sufficient information to file a student conduct referral, action will be taken within the student conduct system, regardless of whether the case is pursued by the victim or under state, criminal, or civil codes.

The Director of Human Resources/Title IX Coordinator, in conjunction with the Public Safety Coordinator, will lead the investigation with other college employees for any violations of sexual assault/sexual violence. These individuals will use appropriate resources to document and investigate the matter.

Once the investigation of a claim is complete, the case will be referred to the Vice President of Student Services for determination of any internal judicial process necessary in the matter. Possible college sanctions for rape, sexual assault, domestic violence, dating violence, and/or stalking include, but are not limited to suspension, and/or expulsion from the College. Students found in violation of the College's Sexual Assault/Sexual Violence Policy also may be assigned developmental and educational interventions designed to promote greater awareness, improved decision-making, and to further deter future misconduct.

In instances where there is reasonable cause to believe a student is an immediate threat to the safety of himself/herself or other persons or property or is an immediate threat to disrupt essential campus operations, the College shall implement an Interim Suspension of the student.

All reports of sexual assault/sexual violence will be treated with confidentiality and respect for the privacy of the reporting individual(s). Information concerning student conduct proceedings

CAMPUS SECURITY REPORT

A college or university in a free society must be devoted to the pursuit of truth and knowledge through reason and open communication among its members. Academic communities acknowledge the necessity of being intellectually stimulating where the diversity of ideas is valued. Its rules must be conceived for the purpose of furthering and protecting the rights of all members of the university community in achieving these ends.

The boundaries of personal freedom are limited by applicable State and Federal laws and institutional rules and regulations governing interpersonal behavior. In creating a community free from violence, sexual assault and non-consensual sexual contact, respect for the individual and human dignity are of paramount importance.

CAMPUS SECURITY REPORT

Standards of Conduct

Warren County Community College is an educational institution committed to maintaining an environment that allows students to enjoy the full benefits of their learning experience. Further, the College is committed to promoting the wellness and positive self-development of its students. The unauthorized use or abuse of alcohol and the illegal use of controlled substances inhibit students from attaining the benefit of their learning experience, expose them to serious illness and health risks, and therefore are prohibited. It is the policy of Warren County Community College to begin disciplinary procedures for all students who violate this Alcohol and Substance Abuse Policy.

Applicable Legal Sanctions

In addition to sanctions imposed by the College, individuals violating substance abuse policies are subject to all applicable Local, State, and Federal sanctions, which may include, but are not limited to fines and/or imprisonment. The College will refer violations of the Alcohol and Substance Abuse Policy to legal authorities when deemed appropriate.

Health Risks

Drugs may increase activity (stimulants), decrease activity (depressants), or cause hallucinations (hallucinogens). Every drug has multiple side effects that depend on the properties of the drug and the dosage taken. When two or more drugs are taken together or in sequence, their cumulative effects may be stronger than their additive sum.

The effects of drug use are highly individualized. Drug use or abuse can affect a person's physical, emotional, and social health. It can cause accidents, illnesses, drug dependence, overdose and even death. It can cause legal problems, economic problems, school or work problems, and relationship problems.

Alcohol and Drug Resources and Services

The Office of Student Services can provide students with information and referral services for alcohol and drug concerns. The advisors maintain a list of substance abuse programs, which includes:

The College also prohibits retaliation against someone closely related to or associated with the person exercising such rights. Examples of retaliation may include, but are not limited to, hostile conduct toward an individual who participated in protected activity. Such conduct includes, but is not limited to, verbal or body language which is threatening or expresses or suggests disapproval or hostility; failure to cooperate in workplace procedures; or sudden unfounded disciplinary action not based on actual job or academic performance. If you are unclear as to what kind of activity may be prohibited retaliation, contact HR immediately.

The College's Complaint Procedures provides for an immediate, thorough, and objective investigation of any claim of unlawful retaliation because of opposition to alleged discrimination or participation in a proceeding regarding alleged employment discrimination. If you believe that you have been retaliated against because of your opposition to a practice you reasonably believe to be discriminatory or because of your participation in a hearing or proceeding regarding alleged unlawful discrimination, you should provide a written or oral complaint to HR as soon as possible. Your complaint should be as detailed as possible, including the names of individuals involved, the names of any witnesses, and any documentary evidence.

CAMPUS SECURITY REPORT

All complaints of prohibited retaliation which are reported to management will be investigated. The College will immediately undertake and direct an effective, thorough, and objective investigation of the retaliation allegations. The investigation will be as confidential as possible, consistent with the need to investigate. The investigation will be completed and a determination regarding the alleged retaliation will be made and communicated to the person who complains and to the person(s) accused of retaliation.

If the College determines that an individual has suffered adverse action in retaliation for opposition to alleged employment discrimination or participation in a proceeding related to alleged discrimination, the College will take effective remedial action appropriate to the circumstances. The College will also take action to deter any future retaliation. If a complaint of unlawful retaliation is substantiated, appropriate disciplinary action, up to and including termination, will be taken. Whatever action is taken against the person responsible for the retaliation will be communicated to the person who complained.

Missing Person Policy and Procedures

Requirement

Under the Higher Education Opportunity Act of 2008, all colleges must have in place policies and procedures for handling missing students and people.

Definition

A missing student means any student of an institution who resides in a facility owned or operated by such institution and who is reported to such institution as missing from his or her residence. Warren County Community College does not own or operate resident facilities. As such this policy refers to a situation where a member of the College community seeks to report a missing person to the College for investigative purposes.

Procedures

Anyone seeking to report a missing person should be directed to the Public Safety Coordinator. Once a missing person is reported, the coordinator will undertake the following:

- A. Obtain information regarding the identity of the student or individual presumed missing, the person reporting the incident, the relationship of the person reporting the incident and the circumstances that caused the reporting person to file the report.
- B. Document such information in a college incident report.
- C. As appropriate, inquire with other officials at the College regarding the presumed missing person.
- D. Advise the reporting person that missing person reports must be filed with the law enforcement agency having jurisdiction where the student resides.
- E. Contact the law enforcement agency where the individual resides and advise them of the missing person report made to the College.
- F. Should the Coordinator of Campus Safety believe that the missing individual may be

CAMPUS SECURITY REPORT

in imminent threat of danger and/or the missing person is believed to have been last seen on the Warren County Community College campus, the Public Safety Coordinator will contact either the Washington Township or Phillipsburg Township Police and turn the issue over to their jurisdiction.

FERPA Compliance

Information sharing with police on missing persons will follow guidelines established under the federal Family Educational Rights and Privacy Act.

Communications

In cases involving missing persons, law enforcement personnel are best situated to provide information to the media that is designed to elicit public assistance in the search for a missing person. Therefore, all communications regarding missing students will be handled by outside law enforcement.

Annual Disclosure of Crime Statistics

The “**Student Right to Know and Campus Security Act of 1990**” (Public Law 101-542) was enacted by Congress on November 8, 1990. The Act requires colleges to compile an annual report to ensure that students and the higher education community are made aware of the presence of crime on campus. The following information is provided in compliance with the reporting requirements of the Act.

The numbers provided in the crime statistics for Warren County Community College reflect incidents reported to campus security, Washington Township and Phillipsburg Township Police Departments. The statistics reflect incidents on campus, incidents off-campus reported to the college and incidents at noncontiguous locations. The local Police provide data to the College regarding reportable crimes that occur in the immediate vicinity of campus boundaries.

Under the Jeanne Clery Disclosure of Campus Security and Policy and Campus Crime Statistics Act, colleges are required to publish crime statistics in the following twelve categories. These statistics cover the period from January 1 through December 31 for the respective years. The crime statistics are also reported to the U. S. Department of Education each year.

The complete Campus Crime statistics are shown in the **2022 Campus Crime Statistics (Clery Report)** on the College’s website. Please go to the Student Right to Know Page (<http://www.warren.edu/student-disclosure-information/>) and click on this report.

The definitions of various crimes are shown on the next page. Definitions of categories of prejudice related to hate crimes are shown below.
