THE DATABASES

Online Resources

- EBSCO Discovery Services ← Main Database (ebooks too)

  Search through online databases for e-books, peer-reviewed journal articles, newspaper articles, and 1000's of periodicals. Databases included are: Academic Search Premier, Business Source Elite, CINAHL with Full Text, European Views of the Americas: 1493 to 1750, GreenFILE, Legal Information Reference Center, Literary Reference Center, MasterFILE Elite, Middle Search Plus, Military & Government Collection, Points of View Reference Center, Primary Search, Regional Business News, and Small Business Reference Center.

- Bloom's Literature database ← Literary Analysis Database

  This resource contains more than 20,000 critical essays from over 500 literary journals and 2,300 scholarly and critical books, including 700 titles published by Bloom's Literary Criticism and Facts On File. Also included in the database are more than 13,000 biographies, 45,000 character entries, 5,000 synopses of literary works and hundreds of images and videos.

- Gale Interactive: Human Anatomy ← A&P Database

  DATABASE DOES NOT WORK WITH INTERNET EXPLORER

  Engaging, interactive models bring science to life, allowing students to better visualize and understand human anatomy, supporting university coursework. Students and instructors can manipulate and explore 3D models that are paired with reference and periodical content for further understanding.

DATABASE & E-BOOK ACCESS

All databases require that you log into them using your NETWORK LOG IN

Your NETWORK LOG IN is what you use to get onto the computers on campus & your college email:

- User Name: (first initial, last name)
- Password: (whatever you made up)

If you don't know this information, come to the library & we can help you out!

Scholarly or Peer Reviewed

Very important for academic research!

Warren County Community College

SCHOLARLY? PEER-REVIEWED?

"In academic publishing, the goal of **peer review** is to **assess the quality** of articles submitted for publication in a scholarly journal.

Because a peer-reviewed journal will not publish articles that fail to meet the standards established for a given discipline, peer-reviewed articles that are accepted for publication exemplify the best research practices in a field."
