WARREN COUNTY COMMUNITY COLLEGE

REQUEST FOR PROPOSALS

ON-CALL ARCHITECTURAL SERVICES

REQUEST FOR PROPOSALS – Warren County Community College seeks an Architectural firm to provide on-call design and consulting services for renovations, alterations, and additions as may be required to support ongoing and changing needs of the College.

SCOPE OF SERVICE

From time-to-time, Warren County Community College (the “College”) has cause to employ design professionals to aid with the execution of construction projects or solve building and site related problems throughout the College’s facilities. These issues require the services of an Architect, a Professional Engineer, a special consultant, or a combination of multiple disciplined professionals. This Request for Proposals (RFP) is to create an approved list of Architectural professionals with which the College can engage services for these projects.

For ease of reference hereafter, persons responding to this RFP are termed “Proposer, Professional or Vendor”. Work will be assigned as stated in this Request for Proposals.

By accepting the qualifications of any Vendor, the College does not warrant or represent that any work will be issued to that Vendor. All awards will be made on a non-exclusive basis. Professional Services generally describes the types of assignments that the College anticipates it will give to selected Vendors; however, the College, at its discretion, may issue assignments to selected Vendors that are larger or smaller than, or different from, those listed in the category of Professional Services.

The College will engage the Professional upon receipt of a detailed quote specific to whatever project or need is discussed. *The quote, upon College signature and acceptance will be formalized into a contract through a purchase order. The hourly rates quoted in this RFP, along with incidental costs, if any, shall be the rates used.*

Response Date: In order to be considered for selection, proposals must be received at Warren County Community College, Office of Campus Operations, (475 Route 57 West, Washington, N.J. 07882) no later than 1:00 pm on Thursday October 20, 2022.

Any proposal in route will not be considered timely and will be returned unopened. Proposals received after the aforementioned deadline will be late and ineligible for consideration.

Inquiries: All inquiries or requests for clarification arising after the issuance of this RFP shall be submitted in writing by email or fax to:
