NURSE EDUCATION
Associate in Science Nursing

Warren County Community College offers a Nurse Education Program (Registered Nursing). All Curriculum Requirement courses are completed at the WCCC campus with nursing classes also taught on campus and many clinical sites available within Warren County. The program prepares students for the Registered Nursing Licensure Examination (NCLEXRN) and for entry-level positions in nursing. This program is also suitable for students planning on transferring to a 4-year institution for a RN to BSN degree.

The nursing courses are predominantly available during the day only, although some clinical courses will be required in the evening.

Multiple criteria are used to determine acceptance into the Nurse Education Program. This includes a point system based on the following: an applicant's TEAS score (20%), QPA of Science (50%) and Gen Ed courses (20%), course load (5%), and preference to students who completed their pre-requisites at WCCC (5%). Preference is given to applicants who have completed all of the required pre and co-requisite General Education and Science Courses, with the required grades for the nurse education program. Due to the competitiveness of the Nurse Education Program, meeting the minimum admission requirements does not guarantee admission to NSG 101.

NURSE EDUCATION
Associate in Science Nursing

The WCCC Nurse Education Program is an integral part of its parent institution and therefore is committed to the mission of building a community of learners through the provision of accessible, quality learning opportunities designed to meet personal goals and aspirations. The Associate in Science Degree Program in Nurse Education prepares students for the National Council of State Boards of Nursing Registered Nurse Licensure examination (NCLEXRN). Admission to the Nurse Education Program is highly competitive and students must fulfill special admission requirements. The Nurse Education Program reserves the right to cancel courses due to insufficient enrollment, or lack of qualified faculty or affiliated agencies. Moreover, WCCC reserves the right to schedule classes at any time, including evenings and weekends. No student will be registered who has an outstanding obligation to WCCC. Please contact the Warren County Community College Office of Student Services at (908) 835-2300 for complete admission information.
